

Captain Pugwash Kiddie Ride

All aboard the Black Pig! Kids will jump at the opportunity to have a go on Captain Pugwash's famous ship. This ride provides entertainment increasing the time parents and children stay on your site and also offers a further way to generate income.

Kids can take to the high seas, riding up front next to Captain Pugwash himself, even spinning the wheel to steer the ship. The ride features a rocking motion to mimic a choppy sea, plays the Captain Pugwash theme tune and has six buttons each with a range of sound effects. There's also room for two children on board.

Have fun, but keep an eye out for Cut-Throat Jake sneaking up from behind!
