

Klobber The Robber Arcade Amusement Wacker Machine

The Klobber The Robber is a 'Wack A Mole' Type Arcade Machine, or 'Bopper Machine' as it's sometimes called. The Klobber The Robber is an oversize version of one of these, much bigger, tougher, robust and more suited to family entertainment venues and amusement arcades with older age players.

An exciting game format, players have to wack the robbers to score points, but if they wack the cops they lose points, so they need to really focus when playing this arcade game.
