

Lightning McQueen Kiddie Ride

Instantly recognisable from the Disney Pixar Cars film franchise, the Lightning McQueen kiddie ride is sure to be a hit with fans of the film.

Kids step on board Lightning McQueen and take control of him via the moveable steering wheel. The ride moves in a rocking motion to make kids feel like they're really behind the wheel of the race car.

Buttons on the ride make noises, including playing a selection of Lightning McQueen's lines from the film, so kids will have a ball and feel like they're in Cars themselves.
