

Thomas The Tank Engine Kiddie Ride

Both parents and children will be drawn to the iconic figure of Thomas The Tank Engine. This instantly noticeable ride will bring extra income into a number of different sites.

This ride allows one child at a time to take a trip with Thomas The Tank Engine. While in use, the ride plays the TV show theme tune for kids to hum along to.

It rocks to mimic the movement of a real train, features a video display showing the railway track and other characters from the show. Kids can press buttons to produce sound effects including the Fat Controller's voice and various train noises.
