

Coin Operated Track Ride Racing Cars

These coin operated, battery powered racing cars are ready to go straight on track. Fully speed, price, time and sound adjustable, they even seat an adult and younger child on together so there's no need for anyone of any age to miss out on the fun.

Slick, modern, robust and reliable, they are supplied ready to entertain your customers and they are VERY popular coin operated ride machines in any leisure venue.

These track ride vehicles will give you years of reliable trouble free racing, not to mention a fantastic revenue stream.
