

Hank's Hot Dog Van

In Hank's Hot Dog Van Kiddie Ride, kids get to help Hank drive around and serve his hungry customers. An excellent addition to any site, this ride will entertain restless kids and keep parents around for longer.

The ride can seat two children, one up front in the driver's seat and the other in the back, serving customers. Kids will want another go so they can swap places and try out each role. Children in the back will get to press a range of buttons to serve customers burgers, fries and hot dogs. The driver gets to follow their progress on the streets via a screen.

All the buttons make different sounds, keeping kids entertained while they ride.
