

Peppa Pig Car Kiddie Ride

This kiddie ride features Peppa Pig, maybe the most famous kids' TV character in the world. Children will instantly recognise her from the TV and beg their parents for a go.

The ride plays the Peppa Pig theme music, so kids can hum along while they play. It also makes car noises and features a rocking motion to make children feel like they're really in Daddy Pig's car with Peppa and George.

There's a steering wheel for kids to play with as well as buttons for different characters from the TV show that make noises when pressed. There's enough room for two kids to hop in with Peppa and George.
