

Peppa Pig Carousel Kiddie Ride

Kids can go in circles with Peppa Pig on this miniature version of the popular fairground ride. Instantly recognisable from the TV, this ride is a guaranteed way of bringing more revenue to your site.

Children can choose to take a ride in either Daddy Pig's car or Grampa Pig's boat as they twirl around. The ride plays the Peppa Pig theme music so they can hum along as they go.

Familiar character voices will be a comforting presence, paired with flashing lights that add more visual interest. This ride can seat two children.
