

Postman Pat Post Van Kiddie Ride

Hop in and help Postman Pat deliver post to the residents of Greendale. This kiddie ride is instantly recognisable for adults and children alike, and makes a great addition any site.

Kids will jump at the chance to join the kids TV character and his cat, Jess. The ride rocks to simulate the movement of a vehicle and plays the iconic Postman Pat theme.

The ride seats one child and features buttons that make sound effects including Jess' meow. When not in use, the ride makes horn and engine noises to attract attention, this feature can be turned off if desired.
