

Rescue Firefighter Arcade Bopper Machine

Our Rescue Firefighter bopper machine is the slick modern twist on the classic wack a mole machine and is compact, robust and VERY reliable and long lasting.

Players bop the flames down with the soft hammer as they randomly pop up as they try to beat the high score. Watch the Fireman figure mounted at the back of the machine climb his ladder higher and higher the more flames that are bopped, the object is to make him get to the very top to win the game.

Ticket redemption for amusement arcade use and a Nayax Contactless Payment System can be added to this machine as an alternative to standard coin operated payment or as an addition to standard coin operated payment.
