

Spongebob Squarepants Kiddie Ride

Kids' TV favourite, SpongeBob, is unmissable in this kiddie ride. A sure-fire way to generate more income for your site, whether it's a soft play centre, supermarket or anything else.

This ride lets one child jump in the Krabby Patty wagon with SpongeBob and his pet snail, Gary. While in use the ride plays an instrumental version of the SpongeBob theme, kids can sing along as the lyrics are displayed on a miniature screen at the front of the ride.

There are also buttons across the dashboard that when pressed make various fun sounds including horn noises, bubble noises and dolphin noises.
