

Dolphinstar Video Game Kiddie Ride

Brightly lit and attractive, this interactive dolphin coin operated children's ride is very attractive and focal in any family leisure attraction location.

The Dolphinstar child's amusement ride has a built-in underwater-themed video game – children sit on the dolphin and steer it side to side and up and down using the dolphin's reins as they watch it all happen on the animated TV screen.

The dolphin swims through the sea scoring points and these are recorded on the screen, it is a real underwater adventure and this ride can be enjoyed by children of all ages.
