

## Sit On Digger Machine Bucket Arm Cage

Our unique, bespoke SB Volvo coin operated digger arm cage enclosure is available from us. Strong, robust and is available in the colour of your choice, we advise gloss black or green but the choice is yours.

Very easy to assemble and fit to your sit on digger machine, this kit is supplied ready to assemble and bolt straight to your SB Volvo coin op amusement digger machine.

The digger shown in the image was taken on a previous installation and these metal cage enclosures are made to order.
